

Early setup for a huge event

Kids and their moms wanting to learn and be a part of a Community Organization

It was another huge success for our Community Day at Edgewood. Many of our neighbors decided to join the Edgewood Flyers in a day of fun!! Most of the families were from Dix Hills and Deer Park. Numerous families, hikers, joggers, and dog walkers joined us for a complimentary lunch and refreshments. We have been talking about this event since the early spring. We talked to all the surrounding neighborhoods and all the folks that come across the path. We sent brochures and flyers. Almost everyone that uses the main entrance to Edgewood that we are aware of, joined us. Hikers, bikers, and dog walkers. Some just came out for a free lunch and to “hanging out” with us. We have been surveying all the people that use Edgewood and again got over 500 positive surveys!!

• *The public is Always Welcome to join...*

This Dix Hills family that hikes joined us all day!!

Local kids enjoying a beautiful day outdoors

Practice on the simulators
