

***Earth Day 2014***  
***Senator Owen Johnson***  
***Pavilion***  
***Cleanup...***

The pavilion was dedicated to Senator Owen Johnson, who was the driving force behind preserving in perpetuity the Oak Brush Plains Preserve. A beautiful ceremony was held and many elected officials came to honor the achievements of the Senator. The Edgewood Flyers cleaned the road side in the early morning as well as the entrance and parking lots. CLIMB held a bike tour and explored the preserve.
